KUALA LUMPUR: GFM Services Bhd has secured two contracts from Bank Negara for the provision of comprehensive facilities management services at selected premises operated by the central bank.

Both contracts, worth a combined RM69mil, are for a period of four years from January 2019 to December 2022.

“We are pleased to have clinched these contracts from Bank Negara, which is a reflection of our clients’ confidence in our capability to deliver quality and timely service,” managing director Ruslan Nordin said in a statement today.

Ruslan said GFM has successfully maintained a 100% contract renewal and extension rate in 2018. The latest win, he said, will contribute positively to the group's bottom line and boost the company's outstanding orderbook to RM1.4bil.
