GFM Services Bhd (+ve)

SHARES in GFM Services Bhd (fundamental: -/3, valuation: -/3) triggered our momentum algorithm last Friday for the first time this year.

The counter closed two sen or 3.01% higher at 68.5 sen, with 10.38 million shares changing hands versus its 200-day average trading volume of 1.7 million shares.

For the third quarter ended Sept 30, 2017, GFM reported a net profit of RM1.76 million, on the back of RM25.26 million in revenue. There were no comparative figures as the company changed its financial year end from Aug 31 to Dec 31 in 2016.

For the nine-month period, its net profit stood at RM6.4 million, while revenue stood at RM75.03 million.

In September last year, GFM secured a job from UDA Holdings Bhd to provide facility management services for the Bukit Bintang City Centre project. The company said the partnership marks the start of a working relationship with UDA Holdings.
