Top 10 of Malaysia

Malaysia's Most Inspiring Facilities Management Companies – The Top 10

By [Top 10 of Malaysia](#) - 12 September, 2024

In Malaysia, facilities management companies are integral to the smooth operation of diverse buildings and infrastructure, from bustling office towers to expansive industrial sites. The country's facilities management sector is a dynamic and evolving field, marked by a number of influential companies that excel in providing top-tier services across various industries. Here, Top 10 of Malaysia shares its pick of the top ten most inspiring facilities management companies in Malaysia (presented in no particular order), each distinguished by their expertise, innovation and commitment to excellence. From comprehensive asset management to advanced energy solutions, these companies offer a range of services designed to enhance the efficiency and functionality of buildings and infrastructure.

Global Facilities Management Sdn Bhd

Global Facilities Management Sdn Bhd, guided by Group Managing Director Ruslan Nordin, has been one of the leading names in Malaysia's facilities management sector since its establishment in 2000. As the operating entity of GFM Services Berhad, the company boasts nearly two decades of expertise in managing and consulting on a variety of built environments throughout their asset life cycles, both locally and internationally. The company specialises in tailored facilities management solutions, including Integrated Facility Management, Operation & Maintenance, and Advisory & Consultancy. Known for its excellence, Global Facilities Management has received numerous awards and serves an impressive roster of international clients from the United Arab Emirates, Qatar, Saudi Arabia and Cambodia.
